

My Mouth

A Social Story

I

use

my

mouth

for

eating

But not for swearing!

because bad words are rude

And they make people sad

I

use

my

mouth

for

talking

But not for swearing!

because bad words are rude

And they make your friends not like you

I

use

my

mouth

for

singing

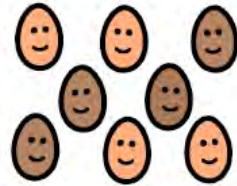

But not for swearing!

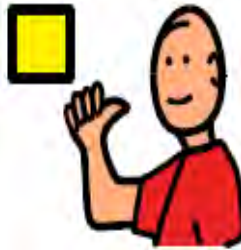

because bad words are rude

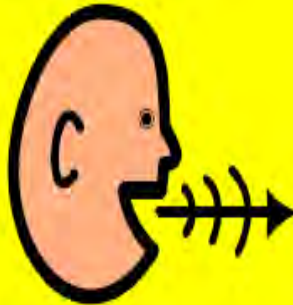

And they make people cross!

If I use my mouth for

eating,

talking,

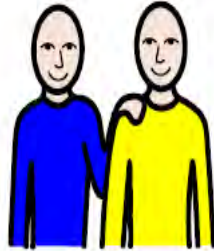

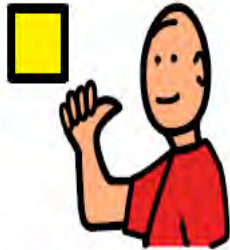

singing

and

smiling...

My friends, teachers and I

Will be happy!
